Easy Access Saver (8)

Summary box

Account name	Easy Access Saver (8)			
What is the interest rate?		Annual interest (variable)	Monthly interest (variable)	
	Balance	AER*/Gross p.a.	AER	Gross p.a.
	£0.01 plus	2.20%	2.20%	2.18%
	We calculate the interest daily and pay it annually, on the anniversary of the date you opened the account, or monthly, at the end of the last day of each month. Interest can be added to the account or paid away into another suitable account.			

Can Coventry Building Society change the interest rate?	The interest rate is variable, so it can go up or down at any time. For more details about why we may change the rate, as well as how and when we'll let you know, see our Saving Accounts Terms and Conditions booklet (section 4).
What would the estimated balance be after 12 months based on a £1,000 deposit?	£1,022.00 This would be the balance after 12 months if £1,000 was paid in, all interest was paid back into the account annually, there was no change to the interest rate and no money was taken out or paid in. This illustration is just an example to help you compare accounts. It does not take into account any individual circumstances.

How to keep track of your account

If you choose not to have a passbook, we'll issue you with a statement within a month of any money leaving your account. But don't worry, we'll never send you more than one statement a month.

If you choose to have a passbook and keep it updated, this will be your record of all transactions instead of a statement. If your passbook isn't updated, we'll issue you with a statement within a month of any money leaving your account.

You can receive your statements by post. Or, if you use Online Services, you can go paperless and we'll send you reminders to view your statements.
